Multi-Press Layout Survey Sheet

Top-view survey: reproduce the field geometry and record measured values; no dimensions are assumed.

Illustrative layout — example only

Field	Measured value / reference
Center distance C	
Infeed datum H	
Outfeed datum H	
Track centerline / travel direction	
Service aisle width / access	
Press A footprint / datum	
Press B footprint / datum	
Carriage length / width / attachment points	
Swept safety envelope / guarding notes	

Multi-Press Layout Survey Sheet

Blank measurements and site constraints.

Site constraint	Record / notes
Floor level / foundation / anchors	
Ceiling / crane / door clearance	
Electrical / hydraulic / thermal service positions	
Loading and unloading path	
Guarding, e-stop and maintenance access	
Photo IDs and drawing revision	
Surveyed by / date / witness	

Do not scale this illustrative drawing. Record actual dimensions and identify the datum used.
